

DAUGAVPILS UNIVERSITY AGENCY  
"DAUGAVPILS UNIVERSITY DAUGAVPILS MEDICAL COLLEGE"

**SECURITY PROTOCOL  
FOR FOREIGN STUDENTS**

1. The security protocols shall specify the procedures for foreign students if the foreign student has informed the higher education institution or college regarding the arrival in the Republic of Latvia for the acquisition of the study programme in person.
2. Students, academic, administrative and technical staff, as well as service providers participate in the study process, are employed or provide services only with a certificate of initial vaccination, support vaccination or overload. In all rooms, except in hostel rooms where more than one person is located, it is recommended to use medical face masks or FFP2 respirators.
3. During the period of acquisition or recognition of a vaccination certificate up to 60 days since arrival in Latvia, international students may be in a university or college hostel with a testing certificate, certifying it with the relevant COVID-19 certificate for a negative test obtained within the last 72 hours, if the flows of persons present in hostels do not overlap, are permanently separated without the possibility of confusion and separate supervision of their activities is ensured.
4. During the classes, the Rules of procedure by which the requirements for restricting the spread of COVID-19 infection are ensured to the DU DMK and DU DMK Hostel regulations, as well as amendments to the abovementioned procedures shall be applied to international students.
5. The safety protocol shall be updated in accordance with the changes in the epidemiological situation and the requirements specified in the State.
